Dear Parents and Students,

I would like to bring to your attention a Jewish magazine, "BabagaNewz", that is available online.

If you go the website: www.BabagaNewz.com you will find interactive audios, Jewish video games, stories, and the best, advanced cutting edge technology of Jewish education for ages 8 through adults

Until this year, BabagaNewz was a hard copy magazine that I received for the school, but from January on everything will be online and free.

Please go to the website and let me know what you think.

Thanks,

Rachel Ginsburg, Principal
