

Share your bread with the hungry. . . (Isaiah 58:7)

Prayer is good, but not enough.  
We are obligated to bring a little  
bit of heaven down to earth via  
gemilut hesed, unsolicited  
acts of kindness and love

Following Rosh Hashanah  
and up until Kol Nidre,  
please fill a bag with  
**KOSHER**  
non-perishables—

pastas, canned  
fruits and vegetables,  
canned fish, boxed cereals,  
& crackers, etc.— and bring to the temple  
lobby (nothing after Kol Nidrei, please).

*Please bring your bags back and put them in the designated boxes in the temple  
lobby.*

*Boxes will also be set up in the Religious School to receive your donations.*

Operation Isaiah, sponsored by Men's Club  
of Plainview Jewish Center, is a project of  
The United Synagogue of Conservative Judaism

Collected food items will be brought to Hatzilu, a food relief program serving  
Jewish families in the Nassau/Suffolk region,  
providing a wide array of support services  
to families and senior citizens in our area.
