# BACKPACK ASSEMBLY

We're working to ensure that children on Long Island return to school with the tools they need to succeed. Participating in our annual drive not only helps children in need have a grade-A start, but it also helps teach our children the valuable lessons of charity and repairing the world. Last year, we provided filled backpacks to 2,331 disadvantaged children through UJA-Federation beneficiary agencies, schools, and other local organizations. This year, we hope to help even more.
